**HEADLINE: Hilgeman Group Announces Sponsorship of People's Burn Foundation**

**BODY:**

The Hilgeman Group, Inc., a national recognized leader in electrical and arc flash safety consulting, announced today that it will officially become a corporate sponsor of The People's Burn Foundation. The People's Burn Foundation, based in Indianapolis IN, is a non-profit organization with a primary mission of fostering, supporting and providing programs for people affected by the devastation of burn injuries.

Company President Larry Hilgeman remarked "We feel honored to be able to support such a life changing organization. For several years, we have followed the growth and accomplishments of the foundation. We have always been fans of the work they do. We felt it was time to be more than just fans."

As a corporate sponsor, The Hilgeman Group, Inc. joins other major donors including the Peyton Manning Children's Hospital, National Collegiate Athletic Association (NCAA), Indianapolis Colts, State Farm Insurance, and the Indianapolis Pacers.
